NOTICE TO THE PUBLIC GENERALLY.

NOT withholding his numerous friends and acquaintances to be under the impression that he intended to take advantage of the Insolvent Debtors' Act, to defraud his creditors, begs to inform them that his only intention was to gain time, in order to enable him to collect his out-standing debts; and having accomplished that, by making arrangements with his creditors, and

turning outnotes and accounts to meet his liabilities, he finds it unnecessary to proceed further, in that Court, but gives notice that he has turned out notes and accounts to Mr. S. Crawford, of Belleville, to the amount of \$109 1/2 cts, which must be paid on or before the 1st day of October next, or costs will be made, by placing them in the hands of the Court for collection. The balance of his notes and accounts are still in his own possession and persons indebted to him, will oblige, by settling.

Having accomplished this much, he begins to return thanks to his friends for their

MR. KENNEDY, OF ROXBURY  
HAS DISCOVERED in one of our  
myon pasture woods, a remedy that cures  
*Every kind of Humors, from the Serp-  
danta to the common Pimple.*

He has tried it on over eleven hundred cases  
and never failed except in two cases. It is  
thunder humor. He has now in possession  
over two hundred certificates of its value  
within twenty miles of Boston.

Two bottles are warranted to cure a  
the

One bottle will cure scaly eruptions of skin.  
Two or three bottles are warranted to cure the worst case of ringworm.  
Two or three bottles are warranted to cure the most desperate case of rheumatism.  
Three or four bottles are warranted to cure salt rheum.  
Five or eight bottles will cure the worst case of scurfia.  
A benefit is always experienced from first bottle, and a perfect cure is warranted.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed grown in the pasture, and along old stone walls should cure every humor in the system, it is a fixed fact. If you have a humor, it has to start. There are no life nor acids, humors have, about it, mingles some cases, but none, I peddled over a thousand, but less of it in the vicinity of London. I know the effects of it in every case. It has cured some of the greatest, cures ever done. Man, woman, & child, it cures all.

There is never a bad result from; on the contrary, when that feeling is gone, you feel yourself like a new person. I have known some of the most extravagant criminals in that ever man reformed to.

**THE GREATEST**

**Medical Discoveries**  
OF THE AGE!

MR. KENNEDY, OF ROXBURY.  
**H**AS DISCOVERED in one of our  
common pasture weeds, a remedy that  
cures *Every kind of Humor, from the Serpents*  
*down to the common Pimple.*

He has tried it in over eleven hundred  
cases, and never failed in two cases,  
thunder humor. He has now in possession  
over two hundred certificates of its value,  
within twenty miles of Boston.

Two bottles are warranted to cure a  
single sore mouth.

One to three bottles will cure the

kind of pimples on the face.  
Two or three bottles will clear the scalp of dandruff.  
Two bottles are warranted to cure worst canker in the mouth or stomach.  
Three to five bottles are warranted to cure the worst case of erysipelas.  
One to two bottles are warranted to cure all tumors in the eyes.  
Two bottles are warranted to cure run of the ears and blotches among the hair.  
Four or six bottles are warranted to cure all running humors.  
One bottle will cure scaly eruptions of the skin.  
Three bottles are warranted to cure

One or three bottles will cure the worst case of rheumatism.  
Two or three bottles are warranted to the most desperate case of rheumatism.  
Three or four bottles are warranted cure salt rheum.  
Five or eight bottles will cure the worst case of scurvy.  
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.  
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed grown in the pastures and along old stone walls should cure every humor in the system, and give life to the most desperate.

There are no life nor ends, has  
nor hairs, about it, sulting some  
not young. I peddled over a thousand  
bottles of it in the vicinity of Boston. I  
the effects of it in every case. It has alre  
done some of the greatest cures ever done  
Massachusetts. I gave it to children a y  
old, to people of sixty. I have seen peo  
my, worm-looking children, whose flesh wa  
soft and flabby, restored to a perfect stat  
health by one bottle.

To those who are subject to a sick head  
ache one bottle will always cure it. So g  
great relief in catarrh and distention. I  
who have taken it have been cured. I  
to W

years, I have been regulated by  
the body is sound it works quite easy, but  
where there is any derangement of the fun-  
ctions of nature it will cause very singular  
feelings, but you must not be alarmed, the  
always disappears from four days to a week  
There is never a bad feeling to write  
we contrary, when the feeling is gone, you  
feel yourself like a new person. I have  
some of the most extravagant eucoumums  
that ever man listened to.
